ORDER:

In the G.O 1st read above, orders have been issued according permission for drawl of 0.6 MLD i.e., 0.0077 TMC of water from Gollapalli Reservoir to National Academy of Customs, Indirect Taxes & Narcotics (NACIN) authorities for Academy & Quarters, subject to payment of Royalty charges @ 5.50 per 1000 gallons and as fixed by the Government from time to time and also with certain conditions.

2. The Additional Director General, NACIN, Palasamudram has represented to the Government stating that the NACIN is a non commercial National Institute meant for training the Officers belonging to the Central Excise, Goods and Service Tax, Customs, Narcotics and other wings of the Government of India. He has also stated that the water requirement of NACIN for drinking water and other purposes is as required for any training institute and requested to examine and consider a reasonable rate for water on the lines of rates extended to Urban local Bodies / National Institutions for NACIN, Palasamudram.

3. The Engineer-in-Chief (Irrigation) in the reference 3rd read above has stated that NACIN may be asked to pay royalty charges at the rate of Rs. 5.50 / 1000 gallons as the water is used for consumptive use with usual terms and conditions.

4. After careful examination of the matter and in supersession of the orders issued in the G.O 1st read above, Government hereby accord permission for drawl of 0.60 MLD i.e., 0.0077 TMC of water from Gollapalli Reservoir to National Academy of Customs, Indirect Taxes & Narcotics (NACIN) authorities for Academy & Quarters, subject to payment of Royalty Charges @ 5.50 per 1000 gallons with the following conditions:

(PTO)

1) The water can be spared subject to the availability of water in the Gollapalli reservoir.
2) The entire cost of construction of intake well, pump house, pipelines excavation etc., should be borne by the Institute only.
3) Water meters or suitable measuring devices should be installed by the Institute at their own cost to measure the water consumed and should be made available to the department authorities and the representatives of the users shall be present at all time of inspection. The water meter shall be periodically calibrated and kept sealed. The period of calibration will be specified by the department.
4) The Institute should pay the water rate at the rate mentioned above. In case of failure to pay water rate/royalty the permissions to draw water shall stands cancelled.
5) The Institute shall obtain the prior concurrence from concerned departments for laying pipelines and for crossing etc., where ever necessary.
6) No filed bodhi or pipeline shall be taken through or along with Government land without approval of Government and if permission accorded by the Government the lease should be paid as fixed by Government only.
7) The Water resources Department reserves the right for cancellation of the permission without assigning any reasons thereof.
8) The Water Resources Department is no way responsible for non-supply of water sue to any reasons.
9) The Institute must acquire the private land for installation of pumping arrangements. If the Institute proposes to utilize Government land for installation of pump house, necessary permissions is to be obtained from the Government for leasing the land and the lease amount fixed is to be paid by the Institute.
10) The Institute has to lay CC(1:4:8) before laying the pipeline and CC(1:2:4) over the pipeline refill the pipeline with proper soils and consolidate the banks as directed by the Department.
11) The Institute has to construct CC walls to avoid leakage at pipeline crossing.
12) The water drawn from the Gollapalli Reservoir should be utilized for the purpose for which the permission is granted.
13) The Institute should follow the Revenue Board Standing Orders.
14) The Institute shall pay security deposit at 5% on 10 years water charges for which permission is granted.
15) The Institute shall pay one year water charges as advance and any amount due to the department before entering in to agreement.
16) The Institute has to conclude agreement with the officers concerned of Water Resources Department.
17) The Institute shall abide by the R.C.Act-1884 and any other condition laid down by the Government Department from time to time.
18) The Institute should make its own arrangements for summer storage in their premises only.

(PTO)

19) The Institute shall abide by any other conditions laid by the Government Department from time to time.
20) The Institute has to pay the water charges for the estimated quantity in advance at the start of the financial year i.e., before 10th April every year as per BSO.
21) Under any circumstances the consumptive utilization should not exceed the quantum of water allotted by the Government.
22) The proposed drawl for this plant should not affect Lower riparian rights (LRR) and Upper riparian rights (URR) in any manner.
23) The Department is no way responsible for any damages that may occur to the off take point due to floods in Krishna River or on an account of any other reasons.
24) The permission does not confer any riparian right to the Institute.
25) Non-Adherence to any of the above condition by the Institute will entail cancellation of the permission.
26) The Institute has to produce the relevant records for department verification at the end of each quarter periodically.

4. The Engineer-in-Chief (Irr), Water Resources Department, Vijayawada shall take necessary action in the matter.
